Dear Mrs. Manley:

With regards to those two dates that I wrote to you about. I have just had word back from Newburgh that they will not be able to play July 6th, as they have a big outing scheduled for that day.

On the Hackensack, N.J. date, this fellow has not even got started, and it doesn't look as if he will do anything at all.

I can arrange a date for you at Newburgh on Thursday July 13, for the terms of \$125.00 flat with a \$40.00 rain guarantee.

Have just spoken to several of the teams regarding the Buffalo, N.Y. dates of July 17th, & 18th and none of them want to make the long trip on a gamble. So I am afraid that unless you want to play the local white team up there, that I won't be able to send anyone to that place with you.

I have your list of other open dates and will try to work out something for you.

Very truly yours,

W.A. Leuschner
